

Dear Mentors and Mentees,

Can you believe it's March already? This means the 2004/05 Golden Key Tri-mentoring Program is coming to an end. I hope everyone has enjoyed their mentorship experience and benefited greatly from the relationship!

The Tri-mentoring team has organized a closing dinner to officially end this year's program. But remember, the network never ends!

Event: Golden Key Tri-mentoring Closing Dinner  
Date: Thursday, March 31, 2005  
Time: 6~9pm  
Place: Mark's Fiasco Restaurant  
Address: 2486 Bayswater, Vancouver  
The restaurant is very close to the UBC campus and it is in the Mark James square on West Boardway.

Getting there by bus from UBC (about 15 minutes):  
1) #99: get off at MacDonald, walk west two blocks (back towards UBC).  
2) #17 or #9: get off at Carnarvon Street, walk east one block (away from UBC).  
For those of you who drive, you may park near the restaurant (no designated parking lot though).

There will be prizes for the mentors, so please bring your business cards with you.

If you are able to come to the dinner, please RSVP to mentoringgk@yahoo.ca and indicate if you would like a seafood, chicken or vegetarian meal by Sunday, March 20th.

In addition, we are proud to let you know that we presented our Golden Key Tri-mentoring Program at the annual Golden Key Canada Conference, held on February 17-19 in Saskatoon this year. We have uploaded pictures from that presentation along with our previous senior and junior kickoffs at the following site:

Enjoy and hope to see you at the closing dinner!

Sincerely,  
Golden Key Tri-mentoring
